Homeschooling in the United States constitutes the education of about 3.4% of U.S. students (approximately 2 million students). In the United States, the Supreme Court has ruled that parents have a fundamental right to direct the education of their children. The right to homeschool is not frequently questioned in court, but the amount of state regulation and help that can or should be expected ...

1. Harold Wilensky put it baldly and succinctly: "Economic growth is the ultimate cause of welfare state development." Harold Wilensky, *The Welfare State and Equality* (Berkeley: University of California Press, 1975), p. 24. 2. Thus, Flora and Alber find no correlation between levels of industrialization and social insurance programs of 12 European nations between the 1880s and the 1920s.

The Performance-Driven Life. Could it be that constantly being indoors or in the car, media exposure to immoral values at an early age, lack of consistent routine, constant over-stimulation by electronic entertainment, and attempting to make kids into little adults is destroying the hearts and souls of our children?. It is thought that parents can actually cause childhood depression by ...
