Building Permit Application Status. Search the status of active building permit applications and inspections of issued building permits.

Building & Construction " City of Toronto

A global city, also called world city or sometimes alpha city or world center, is a city which is a primary node in the global economic network. The concept comes from geography and urban studies, and the idea that globalization is created, facilitated, and enacted in strategic geographic locales according to a hierarchy of importance to the operation of the global system of finance and trade.

Global city - Wikipedia

Epilogue 120 The Best Practices Database Good and best practices are initiatives undertaken by two or more partners at the national, city or community level that effectively address chronic ...
