Brolga Theatre. The Friends are important to the future of the Brolga. The Group's primary objectives are to support and encourage use of the available facilities " a major part of this is the provision by the Friends of equipment and enhancements that ensure the Brolga remains more than just an average regional theatre.

The whooping crane (Grus americana), the tallest North American bird, is an endangered crane species named for its whooping sound. Along with the sandhill crane, it is one of only two crane species found in North America. The whooping crane's lifespan is estimated to be 22 to 24 years in the wild. After being pushed to the brink of extinction by unregulated hunting and loss of habitat to just ...
