LGBT themes in comics are a relatively new concept, as lesbian, gay, bisexual, and transgender themes and characters were historically omitted intentionally from the content of comic books and their comic strip predecessors, due to either censorship or the perception that comics were for children. In the Twentieth century, the popularity of comic books in the US, Europe and Japan have seen ...

It's a dramatic tale, filled with remarkable women facing down incredible obstacles to win that most basic American civil right – the vote. Among these women are several activists whose names and accomplishments should become as familiar to Americans as those of Thomas Jefferson, Abraham Lincoln and Martin Luther King, Jr.
