At first, the claim that atheism is a religion might sound ridiculous. It certainly can be a surprising claim. And it's one that many people, including western atheists, might initially dismiss out of hand. But there's more to the story here. There is a case to be made that, in a very re

### **Is Atheism a Religion? : Strange Notions**

I find it interesting that many atheists spend so much time discussing the morality of a being they claim doesn't exist. The reality is, of course, that whether God is good, evil, or otherwise doesn't matter, unless He does exist.

Johann Eduard Hari (born 21 January 1979) is a Swiss-British writer and journalist. His journalism has been the subject of accusations of plagiarism, due to numerous cases of him including quotes from other sources as if they were said directly to him; something Hari initially denied but later admitted. He was identified as, and later admitted being, the author of pejorative edits (under an ...
