

complete guide to palmistry pdf

Palmistry is practised in virtually every country of the world and the way of reading the lines doesn't differ too much from culture to culture. Some cultures do pay more attention to certain parts of the hand more than others, but in the main there are not many variations. For the purpose of this book I have stuck to the traditional way.

An easy to understand guide to learning Palmistry and to

Palmistry Guide / 10 hands which indicates the close relation between brain and hand. Palmistry is study of unconscious mind. The desires which lie dormant in our unconscious build the blocks of future. These longings show themselves as lines of palm. When we read lines Of palm we, in fact,

Palmistry is quite easy to learn, and like with any other form of fortune-telling, you get better at it the more you do it. It's a great thing for shy people, too, because it forces you to interact with others one-on-one, and it gives you something to talk about. I've written a super-simple guide to palmistry below.
