Indigenous Australians are the Aboriginal and Torres Strait Islander people of Australia, descended from groups that existed in Australia and surrounding islands before British colonisation. The time of arrival of the first Indigenous Australians is a matter of debate among researchers. The earliest conclusively human remains found in Australia are those of Mungo Man LM3 and Mungo Lady, which ...

The U.S. system of higher education was heavily influenced by the Humboldtian model of higher education. Wilhelm von Humboldt's educational model goes beyond vocational training. In a letter to the Prussian king, he wrote: There are undeniably certain kinds of knowledge that must be of a general nature and, more importantly, a certain cultivation of the mind and character that nobody can afford ...

This typology breaks down the traditional boundaries between the nonprofit and private sectors and draws definition to this new institutional animal--part business-part social--the social enterprise. In doing so, the typology explores how institutions have combined a mix of social values and goals with commercial business practices and how they have come up with ownership models, income and ...
