Contract law is included in the JEL classification codes as JEL: K12: A contract is a legally-enforceable promise or set of promises made by one party to another. A contract is a legally binding agreement concerning a bargain which is essentially commercial in its nature and involves the sale or hire of commodities such as goods, services or land.

Category:Contract law - Wikipedia

A contract is a promise or set of promises that are legally enforceable and, if violated, allow the injured party access to legal remedies. Contract law recognises and governs the rights and duties arising from agreements. In the Anglo-American common law, formation of a contract generally requires an offer, acceptance, consideration, and a mutual intent to be bound.
