Counseling Theories and Techniques

For organizations considering combining career and mental health counseling, there are several strategic issues to consider. Career and mental health counseling services may share common ground in terms of philosophy, theory, and research, but the most difficult barriers to a holistic approach may occur with program implementation.

Connecting Career and Mental Health Counseling

Dr. Patricia W. Stevens is a retired Counselor Educator currently in clinical private practice in Louisville, CO. She trains student counselors through online teaching. Dr. Stevens also consults with universities in program development and accreditation (CACREP, NCATE/CAEP).
