PDR+ Patient Drug Information written by clinical pharmacists from the Physicians' Desk Reference (PDR). This patient-friendly drug information is designed to help patients be adherent to prescribed medications by improving patient understanding of appropriate use of their medication (the benefits, management of side effects) and by helping make their medication more affordable through a ...

**PDR+ Patient Drug Information and Pharmacy - PDR.Net**

The Physicians' Desk Reference (PDR) is a commercially published compilation of manufacturers' prescribing information (package insert) on prescription drugs, updated annually. While designed to provide physicians with the full legally mandated information relevant to writing prescriptions (just as its name suggests), it is widely available in libraries and bookstores, widely used by other ...
