## **positive academic leadership how pdf**

In response to the early criticisms of the trait approach, theorists began to research leadership as a set of behaviors, evaluating the behavior of successful leaders, determining a behavior taxonomy, and identifying broad leadership styles. David McClelland, for example, posited that leadership takes a strong personality with a well-developed positive ego.

Positive Behaviour for Learning (PBL) is a school-wide behaviour initiative currently in use at a number of western Sydney schools. It employs a whole school systems approach to address problem behaviour and reduce its effects on student outcomes and on the school community as a whole. PBL encourages positive behaviour from students, which has been shown to improve their self-concept and ...
