First Principles of Instruction

Principles of Adult Learning The elements within are largely covered in the resource "Staff training best practices," but this is a different format for some of that information, which people may find helpful.

Adult Learning Theory - Vision Realization

The Peelian principles summarise the ideas that Sir Robert Peel developed to define an ethical police force. The approach expressed in these principles is commonly known as policing by consent in the United Kingdom and other countries such as Canada, Australia and New Zealand.. In this model of policing, police officers are regarded as citizens in uniform.

The principles of grouping (or Gestalt laws of grouping) are a set of principles in psychology, first proposed by Gestalt psychologists to account for the observation that humans naturally perceive objects as organized patterns and objects, a principle known as Prägnanz. Gestalt psychologists argued that these principles exist because the mind has an innate disposition to perceive patterns in ...
