### **Basic Concepts of Public International Law Monism & Dualism**

Aspects of Reception of Law In most places at most times borrowing is the most fruitful source of legal change. The borrowing may be from within the system, by analogy - from negligence in torts to negligence in contract, for instance - or from another legal system. The act of borrowing is usually simple.

### **Aspects of Reception of Law - Digital Commons**

International law is the law of international society. (2) The legal self-constituting of society (the legal constitution) co-exists with other means of social self-constituting: self-constituting in the form of ideas (the ideal constitution) and self-constituting through the everyday willing and acting of
