Regression Modeling with Actuarial and Financial

This article reviews several probabilistic models of dependence used in actuarial and insurance modeling. Specifically, regression and copula models are described that can be used to understand ...

Regression Modeling with Actuarial and Financial

Testing economic theory, or models arising from any discipline, involves collecting data. The CAPM theory is about ex-ante (before the fact) returns even though we can only test with ex-post (after the fact) returns. Before the fact, the returns are unknown and there is an entire distribution of returns.
