

religious acculturation and assimilation pdf

Acculturation is the process of social, psychological, and cultural change that stems from blending between cultures. The effects of acculturation can be seen at multiple levels in both the original (native) and newly adopted (host) cultures. Historically speaking, acculturation is a direct change of one's culture through dominance over another's culture through either military or political ...

Acculturation - Wikipedia

Assimilation Vs. Acculturation It seems that the argument for or against the possibility of synthesis/coexistence between Christianity and Indigenous religions becomes one of Assimilation or Acculturation.
