Even so, art as such, art as an indispensable component of human nature and functioning, has never been in doubt. It has survived in any kind of society, in prisons, and on the islands of the shipwrecked. Only when the existence of art as such seems to be questioned and endangered do we truly have to worry.

My favorite 3D drawing step by step tutorial is also an excellent example of turning a Shape into a Form (both Elements of Art). If you have purchased my "Recycled Art Journal" ebook, this project is an excellent addition as it covers three Elements of Art in one lesson. You will just need to trim the paper to the journal's 6" x 9" format.
