### **Saying Yes: In Defense Of Drug Use By Jacob Sullum**

Saying Yes further contends that the conventional understanding of addiction, portraying it as a kind of chemical slavery in which the user's values and wishes do not matter, is also fundamentally misleading.

### **Saying Yes: In Defense of Drug Use: Jacob Sullum**

Saying Yes is best, however, when Sullum goes beyond the empirical and begins to explore why even intelligent, responsible drug users have such a difficult time getting outside the established frames that define drug use. He suggests that because there is so much political, legal, and social pressure to abstain from using illegal drugs, many people who use them are anxious about doing so and, as a result, commonly feel driven to justify their drug use.

"Yes," he said, "as a matter of fact I do. How can you understand someone who comes from a completely different background?" "Different," said his wife. "Not the same, like us." "Yes, different," he snapped, angry with her for resorting to this trick of repeating his words so that they sounded crass, or hypocritical.
