

science as power discourse pdf

The distinction between science and ideology, indeed, the concept of ideology as such, depends on a conception of science as a self-critical, self-correcting inquiry. The received wisdom of Western thought is that science is constituted by value-free knowledge of the external world.

Science as Power: Discourse and Ideology in Modern Society

To sum up, discourse is interwoven with power and knowledge to constitute the oppression of those "others" in our society, serving to marginalise, silence and oppress them.
