Back in the summer of 2014 I wrote two essays outlining the minds of Incels. The first was The Severing and the second was Owed Sex. I wrote these essays in the wake of the Eliot Rodger shooting and the sudden emergence of the term "red pill" into the popular lexicon.

Sexual Market Value | The Rational Male

Sexual desirability, as determined by the market. So if a 3/10 woman hooks up with a 9/10 man, the market did decide that they have the same sexual market value. Likewise, if a woman attracts a lot of sexual partners, she must have a high sexual market value within her sphere of the sexual economy. According to this guy, being unable to attract sexual partners is also a measure of low sexual market value.
