A Shaper Tutorial. This one is a bit of a mystery to me. There is a file on Michael Moore's "EuroSpares.com" site under the link name "An introduction to shaper operation" (down in the copies of external items near the end of his page). The file itself is "AShaperTutorial.pdf". It's a general introduction to the shaper (although it could be used as a practical guide, there are other, better ones).
