Design and construction. To commemorate the Tenth Anniversary of the founding of the People's Republic of China, the Central Committee of the Communist Party of China in 1958 began the planning and construction of ten large-scale projects, known as the "Ten Great Buildings" to showcase the new outlook of the country and the Beijing railway station was amongst the projects undertaken.

Completed Plans. Making Denver livable for its people now and in the future is the overarching vision that guides all planning efforts. Each plan is the result of a thorough, collaborative public process; each represents a long-term, broad vision for a community and functions as a guide for future land use and urban design, ensuring orderly and appropriate neighborhood development.
