Transport in Melbourne, the state capital of Victoria, Australia, consists of several interlinking modes. Melbourne is a hub for intercity, intracity and regional travel. Road-based transport accounts for most trips across many parts of the city, facilitated by Australia's largest freeway network. Public transport, including the world's largest tram network, trains and buses, also forms a key ...

Both the 20th century traffic history of Tottenham Court Road and Camden's plans for the future rely on the fact that Gower Street and its continuation into Bloomsbury Street, a road almost as wide, parallels Tottenham Court Road for its entire length. Gower Street was (and is) a significant road in its own right with many historical figures having lived there and much of University College ...
