

studies in historical method pdf

Theological Studies. Founded in 1940, Theological Studies is a quarterly journal of theology published by the Jesuits of the United States and Canada.

Theological Studies – A journal of academic theology

Contains the electronic versions of 80 books previously published in hard copy as part of the Country Studies Series by the Federal Research Division. Intended for a general audience, books in the series present a description and analysis of the historical setting and the social, economic, political, and national security systems and institutions of select countries throughout the world.

About this Collection | Country Studies | Digital

The case method is a teaching approach that uses decision-forcing cases to put students in the role of people who were faced with difficult decisions at some point in the past. It developed during the course of the twentieth-century from its origins in the casebook method of teaching law pioneered by Harvard legal scholar Christopher C. Langdell. In sharp contrast to many other teaching methods ...
