Inquiry-based learning (also enquiry-based learning in British English) is a form of active learning that starts by posing questions, problems or scenariosâ€”rather than simply presenting established facts or portraying a smooth path to knowledge. The process is often assisted by a facilitator. Inquirers will identify and research issues and questions to develop their knowledge or solutions.

3. Making a booking or enquiry. Having the following information handy will help us to process your booking more quickly: Preferred date/s for your visit (it may be useful to have a few options available).

Booking & info | We The Curious

Successful Enquiry Answering Every Time is designed to guide information professionals through all the stages of research, from finding out what the enquirer really wants, to providing a polished, value-added answer.. When people want to satisfy their immediate curiosity theyâ€™re much more likely to use a search engine on their mobile device than ask their local library.
