suicide history of the pdf

In Rome, suicide was never a general offense in law, though the whole approach to the question was essentially pragmatic. This is illustrated by the example given by Valerius Maximum of the colony of Massalia (present day Marseilles), where those who wanted to kill themselves merely applied to the Massalian Senate, and if their reasons were judged sound they were then given hemlock free of charge.

History of suicide - Wikipedia

A suicide attack is any violent attack in which the attacker accepts their own death as a direct result of the method used to harm, damage or destroy the target. Suicide attacks have occurred throughout history, often as part of a military campaign such as the Japanese kamikaze pilots of World War II, and more recently as part of terrorist campaigns, such as the September 11 attacks.
