While there will always be tradeoffs when trying to cover too much ground with one board – an all rounder surfboard is, by definition, a jack of all trades but a master of nothing – here is a short selection of the best surfboards we’ve ridden in the last year for covering 80% of your sessions. These are the standouts but I can’t pick a favourite.

Crowd surfing, also known as body surfing, is the process in which a person is passed overhead from person to person (often during a concert), transferring the person from one part of the venue to another. The "crowd surfer" is passed above everyone's heads, with everyone's hands supporting the person's weight. At most concerts and festivals the crowd surfer will be passed towards a barrier in ...

in the news. A hacker is not someone who posts to someone's account when they leave some social media page open or shoulder-surfs passwords and then logs into their account later. That's not hacking. A hacker also is not someone who downloads a script kiddie tool to break into someone's email. Those aren't hackers; those are just thieves and vandals.
