

systems of rural cooperative pdf

Rural Business-Cooperative Service Agricultural cooperatives are part of a dynamic environment. The nature of production agriculture changes daily. So do agricultural markets and public policy. Many changes occur outside the cooperative system, which has little, if any, ability to directly influence them. Still, cooperatives have to recognize ...

United States Agricultural Cooperatives

follow. In 2003, the Chinese government began to experiment the new rural cooperative health insurance program in selected areas and expands it to the national level afterwards. Therefore we observe a big jump in participation rate after 2003. In addition, the promotion of this new rural cooperative health insurance is usually based on county levels.
