Workers' Compensation is an employee benefit established in 1912 by the Michigan Legislature. It is administered by the Michigan Department of Licensing and Regulatory

Michigan Workers' Compensation

Workers' compensation is a form of insurance providing wage replacement and medical benefits to employees injured in the course of employment in exchange for mandatory relinquishment of the employee's right to sue their employer for the tort of negligence. The trade-off between assured, limited coverage and lack of recourse outside the worker compensation system is known as "the compensation ...

Workers' compensation - Wikipedia

The Workers Party leads the work of popularizing and elaborating the short-term and long-term program of the working class, taking this program to all sections of the class, as well as to the middle stratum in order to rally it under the leadership of the working class. Elaborating and popularizing the program of the working class involves intensive and extensive theoretical and ideological work.
