Editing is a growing field of work in the service industry. Paid editing services may be provided by specialized editing firms or by self-employed editors.. Editing firms may employ a team of in-house editors, rely on a network of individual contractors or both. Such firms are able to handle editing in a wide range of topics and genres, depending on the skills of individual editors.

Copy editing (also copyediting, sometimes abbreviated ce) is the process of reviewing and correcting written material to improve accuracy, readability, and fitness for its purpose, and to ensure that it is free of error, omission, inconsistency, and repetition. In the context of publication in print, copy editing is done before typesetting and again before proofreading, the final step in the ...
