textbook of physiotherapy for pdf

Physical Therapy is viewed in other countries and cultures very differently than we do here in the United States. For example, in Holland, Physical Therapy is aggressive in children with progressive neurological degenerative diseases until a diagnosis has been reached. Once Batten Disease has been diagnosed in a child, Physical Therapy

Introduction to Physical Therapy 7 These two events placed serious demands on the limited number of qualified individuals available to treat patients. Therapists in private institutions, the military, and the civilian community met the challenge by combining forces and developing more and more detailed physical

therapy programs.
