The Afterlife of Billy Fingers – The Afterlife of Billy Fingers is an extraordinary example of extended after-death communication. It’s one of the most powerful, liberating, and healing books on “life after death” I’ve ever read. In fact, you may have a spiritual experience while reading it that will transform your beliefs about life, death, and the afterlife.

Since the afterlife is highly thought-responsive we must learn the nonphysical 'rules of the road' in order to become effective explorers of our reality. The purpose for my books and workshops are to provide accurate information so we can navigate the labyrinth of nonphysical realities we will encounter during explorations of consciousness and when we exit our temporary biological body.
