5 endows with his or her own immortal soul. The question is whether each means chosen as a way to reproduce does justice to the full human dignity of the child.

### **Life-Giving Love in an Age of Technology**

Dignity is the right of a person to be valued and respected for their own sake, and to be treated ethically. It is of significance in morality, ethics, law and politics as an extension of the Enlightenment-era concepts of inherent, inalienable rights. The term may also be used to describe personal conduct, as in "behaving with dignity".

1. Introduction. Population aging is a global issue. One concern is a shortage of hospital beds, 1 making it necessary to provide more complex care to the elderly with chronic or comorbid health conditions while they are living at home. At the same time, an aging population also reduces the availability of family caregivers.

The world is ageing rapidly. People aged 60 and older make up 12.3 per cent of the global population, and by 2050, that number will rise to almost 22 per cent. Ageing is a triumph of development: People are living longer because of better nutrition, sanitation, health care, education and economic well-being. Although an ageing world poses social and economic challenges, the right set of ...
