Tribal art is the visual arts and material culture of indigenous peoples. Also known as ethnographic art, or, controversially, primitive art, tribal arts have historically been collected by Western anthropologists, private collectors, and museums, particularly ethnographic and natural history museums. The term "primitive" is criticized as being Eurocentric and pejorative.

This engaging compendium of advice ('shifts and contrivances') to travellers and explorers 'in wild parts' went through many editions. Galton collected in it both his own practical experiences, gathered while travelling in South-West Africa, but also those of other travellers, continually improving it as new material became available.
