Renaissance art is the painting, sculpture and decorative arts of the period of European history, emerging as a distinct style in Italy in about 1400, in parallel with developments which occurred in philosophy, literature, music, and science. Renaissance art, perceived as the noblest of ancient traditions, took as its foundation the art of Classical antiquity, but transformed that tradition by ...

Ancient Greek art stands out among that of other ancient cultures for its development of naturalistic but idealized depictions of the human body, in which largely nude male figures were generally the focus of innovation. The rate of stylistic development between about 750 and 300 BC was remarkable by ancient standards, and in surviving works is best seen in sculpture.

Dramatic literature, the texts of plays that can be read, as distinct from being seen and heard in performance.. The term dramatic literature implies a contradiction in that literature originally meant something

written and drama meant something performed. Most of the problems, and much of the interest, in the study of dramatic literature stem from this contradiction.

I hope it's clear from this image that I love pixel art. Auro was a love letter to the amazing stuff Nintendo, Capcom, Konami, and SNK produced in the 90s. That art was probably the primary reason I got into this field in the first place. It's a beautiful form, and some of my favorite pixel artwork is being made today.. That said, the word "renounce" is not just click bait.
