Sexual Love is an art form, ancient in origin and now needed in the world more than ever before. If you walk this Tantric path of More Love, Consciousness, and Harmony, you will find it. This easy-to-read book is still as relevant and transformative in nature as it was twenty years ago. Sex is a biological urge that every animal species knows.

Tantra: The Art of Conscious Loving (20th Anniversary Edition)

The first step to take is to become aware that love is an art, just as living is an art; if we want to learn how to love we must proceed in the same way we have to proceed if we want to learn any other art, say music, painting, carpentry, or the art of medicine or engineering.
