

the australian people 1788 pdf

The history of Australia is the history of the area and people of the Commonwealth of Australia with its preceding Indigenous and colonial societies. Aboriginal Australians arrived on the Australian mainland by sea from Maritime Southeast Asia between 40,000 and 70,000 years ago. The artistic, musical and spiritual traditions they established are among the longest surviving such traditions in ...

History of Australia - Wikipedia

Today, Australians of English and other European descent are the majority in Australia, estimated at around 70% of the total population. Historically, European immigrants had great influence over Australian history and society, which resulted in the perception of Australia as a Western country.. Since soon after the beginning of British settlement in 1788, people of European descent have ...
