

the ballad of the pdf

A ballad / ˈbɔːl.əd / is a form of verse, often a narrative set to music. Ballads derive from the medieval French chanson balladée or ballade, which were originally "danced songs". Ballads were particularly characteristic of the popular poetry and song of the British Isles from the later medieval period until the 19th century. They were widely used across Europe, and later in Australia ...

Ballads at this time were originally composed in couplets with refrains in alternate lines. These refrains would have been sung by the dancers in time with the dance. In the 18th century, ballad operas developed as a form of English stage entertainment, partly in opposition to the Italian domination of the London operatic scene. In America a distinction is drawn between ballads that are ...
