Following a series of articles from Walmart employees describing what itâ€™s like to work for the worldâ€™s largest private employer, Gawker has just published an anonymous email from a much different perspective: a longtime store manager.. The current assistant store manager was compelled to share his own experience after reading several accounts written by store associates.

Party games are games that are played at social gatherings to facilitate interaction and provide entertainment and recreation. Categories include (explicit) icebreaker, parlour (indoor), picnic (outdoor), and large group games. Other types include pairing off (partnered) games, and parlour races. Different games will generate different atmospheres so the party game may merely be intended as an ...
