Youth Risk Surveys Provide Data to Improve Adolescent and School Health

Adolescent and School Health | CDC

Violence is a significant problem in the United States. From infants to the elderly, it affects people in all stages of life. In 1992, CDC established the National Center for Injury Prevention and Control (NCIPC) as the lead federal organization for violence prevention. CDC is committed to stopping violence before it begins.

An at-risk student is a term used in the United States to describe a student who requires temporary or ongoing intervention in order to succeed academically. At risk students, sometimes referred to as at-risk youth or at-promise youth, are also adolescents who are less likely to transition successfully into adulthood and achieve economic self-sufficiency.
